Honors Thesis Mentor

Mentor's Name Department

Signature Email Address

I understand I am required to take AFLS 3413H Honors Proposal Development and Research Methods prior to holding a proposal meeting with my thesis committee. I understand that I must provide a printed or electronic copy of my proposal to all committee members at least one week prior to the proposal meeting date.

I understand I am required to hold an oral defense with my thesis committee prior to the deadline to defend for my term of graduation (Spring: April 1, Summer: July 1, or Fall: November 1). I understand I must provide a printed or electronic copy of my thesis to all committee members at least one week prior to the defense meeting date. I understand failure to do so could result in the postponement of my defense to after the deadline and may require the postponement of graduation to the following term or I may be required to graduate without honors. I understand a missed deadline, thesis proposal meeting date, or defense meeting date may result in the postponement of my thesis defense and/or graduation with honors distinction.

I have read the above and agree to comply with all policies set forth in this document. I understand my thesis defense may be postponed if I do not follow these procedures. In cases where postponement will entail selecting a new defense date that falls after the deadline to defend within a particular term, graduation with honors distinction may be deferred to the following term or I may choose to withdraw from the honors program.
